LABOR SEEKS TWO ON WAGE BOARD

Commissioners Preiesis Naming All Five-Wants Fifth Man as Umpire.

Organized labor last night, through its Central Labor Union, registered its protest against the proposed action of the District Commissioners to appoint all the members of the new wage board that will have to do with the adjustment and fixing of the wage scale of the District municipal government employes. A resolution was unanimously adopted instructing the executive committee to call on the District Commissioners and register a demand that the new wage board be formed upon a basis other than that planned by the Commis-

What Labor Demands.

Labor's demand will seek the appointment by the Central Labor Union of two members of the board, two appointed by the District Commissioners and the fifth man, who is to at G. A. R. Hall, 1412 Pennsylvania be the umpire, to be appointed by avenue.

The plan announced to be followed in the appointments by the Commissioners would place the appointive power entirely in the hands of the Commissioners, two members to reputational to the commissioners, two members to reputations are urged to attend. resent the official personnel, two representing the employes and the um-

son that all of the appointments would be made by the Commissioners and labor would have no voice in the and labor would have no voice in the selection or appointments and would therefore be without representation. The temper of the delegates attending the meeting last night indicated that unless the District Commissioners heed the demand to be made in this matter that the legislative committee will be instructed to take the matter to Congress for adjustment as they see it.

tee it.
This action of the Central Labor
